

**Bulldog Certified™**

*Pedigree Warranty Coverage*

Backed By **Mack Trucks**

# UP TO 2 YEARS OF WORRY-FREE DRIVING WITH A

## IT COMES WITH PEACE OF MIND

Mack Trucks is pleased to introduce a brand new BulldogCertified™ warranty coverage for Mack CH and CX model highway trucks. This coverage available through your Mack Used truck dealer provides the Mack used truck owner with a comprehensive used truck warranty.

Each BulldogCertified™ truck has passed a rigid certification to qualify for this warranty program. This certification enables Mack Trucks to include a standard warranty that is second to none in the Used Truck industry. The basic BulldogCertified™ coverage is for 12 months/100,000 miles on the Mack engine and 6 months/60,000 miles on the chassis, all at no charge to the customer. There are also other warranty plans available that provide protection up to 24/months/200,000 miles. Your Mack Used Truck dealer can help you choose a warranty plan that best suits your needs.

### Engine:

All vehicles must meet inspection and certification qualifications. Coverage exclusions are identified in the service contract. Coverage is subject to change without notice.

# BulldogCertified™ PEDIGREE WARRANTY

## PEACE OF MIND AT WORK FOR YOU

Buying a previously-owned Mack truck is an important investment. That's why more and more buyers (and dealers) of previously-owned diesels are turning to a BulldogCertified™ protection plan that's administered by National Truck Protection Company.

A BulldogCertified™ Warranty can help you protect your investment with one of the most comprehensive plans available. It's peace of mind you'll never regret.

## YOUR PRE-PURCHASE INSPECTION

A BulldogCertified™ Warranty starts working for you immediately. It begins when your truck goes through one of the most thorough inspections that can be conducted.

Unless a comprehensive engine inspection is performed, minor as well as serious problems can go undetected causing expensive problems down the road. If our inspection turns up a major problem, we will not issue a warranty until the problem is corrected to meet our standards.

## NATIONWIDE COVERAGE

Should coverage service become necessary anywhere in the continental U.S., make one call to National Truck Protection at **800-950-3377**. Currently there are over 2,500 repair facilities nationwide recognized by National Truck Protection.

## ONE DEDUCTIBLE

If a problem occurs that is covered within the terms and the mileage of your protection plan, National Truck Protection limits your liability for mechanical failure to \$150\* per occurrence.

\*Subject to change

## INSTANT CLAIM PAYMENT - NO PAPERWORK

We know time is money to you. If you experience a problem or breakdown on the road, you can contact National Truck Protection any time, 24/7. We'll handle all the arrangements and tell you what immediate action to take. National Truck Protection handles all the paperwork, and makes payment directly to the repair facility within hours. Our mission is to get you back on the road fast.
